### Guide

This is an interview guide and it does not mean that the Individual counselling session should follow these exact questions. However, keep in mind the four objectives, monitoring and implementation areas.

### Status assessment

Status assessment	Description – explain the situation using words	Action point
<b>1. Academic progress</b>		
Check the academic progress of the child and ask why if the progress has declined		
<b>2. Health Check</b>		
How is the health of the child? Has the child been taken to the health center this year?		
How is the health of the legal guardian)		
How is the hygiene in the home?		
What is the status of the child's Immunization? Is the card up to date? If not find a way forward.		
<b>3. Child welfare and social development</b>		
How is the child doing in the home?		
How is the relationship		

between the child and the legal guardian?		
For children between aged 11 and above discuss sexual education and Prevention of early pregnancies and early marriages		
For P6 and P7 students discuss education options, wishes and future plans of the child		
4. Family (Legal guardians) welfare and social development		
Any sign of progress or decline in the home since the last visit?		
Any sign of neglect?		
Any sign of abuse?		
How is the condition in the home?		
Does the home have a pit latrine?		
Do the beds have mosquito nets?		
How is the employment status of the legal guardian?		
Does the house hold have any Income generating activities?		
What are the future plan of the family		
Remember to take a picture from the childs home!		

Recommendations from social worker

In the recommendation include these two points:

1. Is there a need for a follow up meeting?
2. As a result of the meeting should any action be taken or should any stakeholders in the life of the child be contacted or should any external stakeholders be contacted?
